Dear Marcello

Re: INTERIM AUTHORISATION OF PE “IDENTI-PIPE”

In reply to your request for authorisation of your PE100 pressure pipe for use in SA Water’s infrastructure the following determination has been made.

Based on an assessment of the WSAA appraisal 06/08, your SAI Global, WaterMark Level 1 Licence and SAI Global, WaterMark Schedule for Licence and inspection of the sample provide we have pleasure in providing you with your Interim Product Authorisation Certificate for the following:

AFPM “IDENTI-PIPE” PE100 Pressure Pipe

PN16 SDR11 in size range DN25 to DN500

The Interim Authorisation is for 12 months and during that period the performance of any new installation will be assessed as a basis for full authorisation at the end of the 12 month period.

This letter can be used as a method of demonstrating authorisation or alternatively prospective purchasers can contact Infrastructure Standards on (08) 7424 2009 for confirmation.

Congratulations on your successful certification. If you have any other queries or comments please contact me at any of the addresses listed above.

Yours Sincerely

IVOR EBDELL
